

# Western Bluebird Nestbox Plan

## Front Opening

	<u>Inches</u>
Roof	8 x 9
Back	5 x 10
Sides	6 ½ x 10
Bottom	5 x 5
Front Door	5 x 10
Entrance Hole	1-9/16 diameter

Use ¾" Cedar or Pine and screws. The door is screwed to the two sides so it pivots from the top, and is held in place at the bottom by a latch screw. The center of the hole should be 2 inches from the top.
